

EVERYTHING FITS

Tough on Germs. Easy on the Budget.

Dwyer's dedicated healthcare division delivers modular nourishment stations that fit your sanitation and budget constraints without compromising your desire for style.

A division dedicated entirely to the healthcare market.

What if you could design the look you want and match it with hospital and industry requirements, all for a price that fits within your budget? Dwyer makes it possible.

Our dedicated healthcare division understands health codes, government regulations, NSF requirements, hospital budgets and more. We also understand that you don't necessarily want to sacrifice style. Thanks to over 80 years of experience in custom manufacturing along with unique expertise in small-space modular design, Dwyer delivers the best value in

nourishment stations, hypoallergenic and NSF-certified kitchens for the healthcare market. We offer the industry's widest selection of cabinet and countertop finishes – everything from stainless steel and durable, wood-like Thermofoil to porcelain, Corian® and more. Dwyer affords you unlimited design flexibility for any healthcare project, new or retrofit.

OUR HEALTHCARE SALES DIVISION
KNOWS THE TERRITORY

Because the healthcare market is so unique, Dwyer has a division solely dedicated to meeting your needs. We have the know-how to help you comply with stringent NSF codes where they're required. And because we offer a variety of the best quality styles and finishes, including NSF-approved stainless steel, you're assured of matching every spec. What's more, Dwyer units can be made completely hypoallergenic. Now factor in the cost of a Dwyer Nourishment Station: not just competitive, but downright affordable. Perfect for the tight budgets and tight spaces you face every day.

THE MANY STRENGTHS OF STEEL

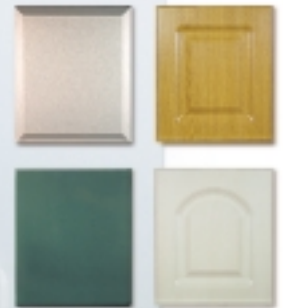

Our durable steel cabinets can be paired with a variety of cabinet door styles and countertop finishes. The benefit? Steel cabinets that last a lifetime paired with components that can be updated as they wear... or to match your changing decor.

BUILT TO LAST – HEAVY GAUGE STEEL CABINET CONSTRUCTION OUTLASTS WOODS AND LAMINATES

TOUGH AS NAILS – UNIQUE POWDER EPOXY FINISH IS THE MOST SCRATCH-RESISTANT ON THE MARKET – AND IT'S COMPLETELY HYPOALLERGENIC

EASY TO MAINTAIN – AVAILABLE WITH REMOVABLE HINGES AND SHELVES FOR EASY AND THOROUGH CLEANING

MATCHES ANY DÉCOR – PAIR YOUR STEEL CABINETS WITH FRAMELESS DOORS MADE OF ANY MATERIAL OR FINISH

MAXIMIZES YOUR INVESTMENT – KEEP YOUR CABINETS INTACT WHILE UPDATING YOUR DOORS AS THEY SHOW SIGNS OF WEAR OR AS STYLES CHANGE

YOUR SINGLE SOURCE FOR THE NUMBER
ONE VALUE

Whatever the healthcare application, Dwyer is your single-source for style, selection and overall value. Whether your latest project is a new facility or a total renovation, a retrofit that needs to work with existing plumbing and wiring, or an installation that must meet strict NSF codes, Dwyer offers the right solution.
