DWYER PRODUCTS CORPORATION ADDS OVER 50,000 PRODUCTS TO ITS VA CONTRACT

WOOD DALE, IL. (March 2010) – Goelst® by Dwyer, modular medical case work, has officially been added to [Dwyer Products Corporation's](#) VA Contract. With more than 50,000 items available, Goelst by Dwyer offers flexibility in acute care facility design.

“The addition of Goelst by Dwyer product line to our VA Contract further showcases our commitment to Veteran Affairs and health care,” said Clay Jacobs, president of Dwyer Products Corporation. “The Goelst line provides acute care facilities with advanced, high-quality casework designed specifically with the unique needs of these health care providers in mind. Goelst is a great addition to our product offerings, and we are proud to make these products available to Veteran Affairs.”

The Goelst by Dwyer product line is available through Section FSS (65 II, Medical Equipment & Supplies), Contract # V797P-4411A. The Goelst products are available in cabinets, medical and surgery (A-84) as well as pharmacy furniture (A-93).

Goelst offers its customers single-source solutions including one point of contact, an industry-leading 10-year warranty and expertly designed modular casework that ensures long-term sustainability with minimal lead time. Goelst offers a breadth of products and finishes equipped for areas that have a specific need for modular casework, such as nurses stations, dental labs, clinical labs, and pharmacies.

All of the Dwyer VA Contract products can be easily found on the [GSA Advantage Web site](#). The products are available by searching for the product name and/or contract number.

To learn more about the Dwyer Products Corporation's complete line of products call 1-800-822-0092. For information specific to the Goelst brand please call 1-877-4GOELST (1-877-446-3578).

About Dwyer Products:

For more than 90 years, Dwyer has provided flexible, high-quality kitchen and casework solutions that make the most of small spaces. Dwyer supplies a wide array of casework, nourishment stations and full-service kitchens that are KCMA and GREENGUARD Indoor Air Quality Certified®. The company offers configurations designed to meet the needs of the healthcare, student housing, assisted living, military and public housing markets.
